The Taxable Wage Base for 2019 stayed the same at \$15,000. To verify the information, either key in the Tax ID or search for the ID in the Taxes option. On the Tax Table tab, enter 2019 in the Tax Year. The Tax Rate will reflect the value from the previous year and should be edited to be the appropriate figure if necessary. The Limit has already been updated to reflect the taxable wage base of 15,000.00. Below is a screen image of the 2019 limit information. Refer to Help Topic – Changing a Tax for detailed instructions to manually change a tax if needed.

The screenshot shows a web-based application window titled "Taxes". The window has a menu bar with "File", "Options", "Reports", "Pin To", and "Help". Below the menu bar, there is a "Tax ID" dropdown menu set to "SUTASD" and a button icon. To the right, the text "South Dakota State Unemployment Tax" is displayed. The main content area has three tabs: "General", "Tax Table", and "Taxes Payable". The "Tax Table" tab is active, showing the following fields:

Tax Year	2019
Tax Rate	
Limit	15,000.00
Calculate Employer Share	<input type="checkbox"/>

At the bottom of the window, there is a toolbar with various navigation icons and a "Document Management" section showing a file icon and the year "2019".
